

# WINDROWERS

Ready For More<sup>SM</sup>

## 110+ POINT INSPECTION AND RECONDITIONING CHECK LIST:

Our self-propelled windrowers are among the most premium haymaking equipment in the world. And after each pre-owned windrower goes through our relentless inspection, certification and reconditioning process, you can be confident your machine is ready to work as hard as ever.

### POWERTRAIN AND SYSTEMS

- Engine block, cylinder head, valve cover, oil pan, and gaskets
- Air intake, filter, tubes, and clamps
- Hoses
- Wirings harnesses
- Radiator
- Fuel injection pump, fuel lines, and tank
- Crankshaft, damper, and pulleys
- Hydrostatic pump and motors
- Radiator
- Final drive planetaries
- Check service interval

### EXTERIOR

- Paint
- Sheet metal
- Glass and mirrors
- Tires and hardware
- Axles
- Decals
- Toolbox
- Attachments

### CAB/OPERATOR PLATFORM

- Fuel level
- Dashboard
- Seat, seatbelts, and armrest
- Air ride seat
- Floor and floor covers
- Headliners
- Upholstery
- Sound system
- Lights
- Panels
- Keys and manuals

### OPERATIONAL AND OTHER TESTS

- Road test
- Operator controls
- Windshield wipers
- Cab suspension
- Gauges
- Air Conditioning
- Cab heater
- FNR handle
- Transmission controls
- Hydrostatic pumps and motors
- Rear tail wheels and dampener assemblies
- FNR neutral start switch
- Parking brakes
- Exhaust
- Fan
- EDT readings
- Guidance system
- Load test battery
- System and header drive charge pressure

### FLUID TESTS

- Engine oil
- Engine coolant
- Hydraulic oil
- Freeze protection

### SERVICE AND MAINTENANCE

- Change fuel filter and pre-filter
- Change engine oil filter
- Check oil valve adjustment hour interval
- Change step-up gear box oil
- Change hydraulic system return filter
- Change hydraulic system charge filter
- Change oil in final drive units
- Change cab air filter
- Change DEF supply module filter
- Drain and clean DEF system
- Change oil in front planetary hubs
- Lubricate all grease points
- Calibrate ground drive system
- Complete all machine calibrations
- Detail machine
- Check machine history

### HEADERS

- Headers are inspected and reconditioned depending on the unit configuration using their own unique checklists. (However, they are not covered by AGCO Protection.)

Every Certified Pre-Owned AGCO windrower is backed by a comprehensive 1-year protection plan. A deductible of \$250 will be applied per incident.

*Challenger*

**HESSTON**  
by MASSEY FERGUSON

AGCO Protection is for a minimum of 12 months or 500 hours from (i) the date of purchase (if out of base warranty on date of purchase) or (ii) the date the base warranty ends (if under base warranty on date of purchase), whichever occurs first. Deductible of \$250 will be applied per incident. Coverage is limited to engine, transmission, driveline, hydrostatic, hydraulic, electrical/electronic, factory-installed air conditioner and structural components. Restrictions apply. Please see a participating dealer for restrictions and a full listing of the components covered by AGCO Protection.
